Speaker/ Trainer	Dr.Ashish Johri, Principal Consultant at Synergie HR.
Topic	Workshop on Increasing Employability
Date	30 and 31 October 2023

Brief Report :

A two day workshop on 'Increasing Employability' took place on 30 and 31st October. The guest, Mr. Ashish Johri, Principal Consultant at Synergie HR was invited by the Training and Placement cell of Smt. Kishoritai Bhojar College of Pharmacy, Kamptee. Dr. Rashmi Trivedi, Dean, Training and Placement put a light on the motive behind organizing this workshop. She said that the workshop is organized to guide M.Pharm students on improving their communication, interview skills, enhancing LinkedIn reach, and refining their resume writing abilities. His approach involved a unique method where he initiated discussions by raising commonly asked questions and providing suitable answers. To start, understanding communication and its potential challenges, which, with the right skills, students can easily overcome, was emphasized. Before delving into writing an eye-catching resume, Dr. Johri extensively explained the recruitment process. He highlighted the distinction between a CV and a resume and provided nine focus points to craft an effective resume, including its content and what a cover letter should entail. Addressing the social media landscape, he guided students on creating LinkedIn profiles, stressing the importance of having a vibrant, "All-Star" LinkedIn profile—A for Accurate, L for Locatable, I for Impactful, V for Value-based, and E for Engaging—along with safe networking strategies.

During the session on interviews, he asked students what they most wanted to know, which typically revolved around how to excel in an interview. An interesting turn occurred when he showed a relevant clip from the movie "The Pursuit of Happyness." He provided accurate and concise tips on overcoming fears, shedding inhibitions, tackling problems, managing body language to create a positive impression, and instilling self-belief even when nervous. The training and placement cell of Smt. Kishoritai Bhojar College of Pharmacy, Kamptee, concluded its program with a vote of thanks by Ms. Supriya Shidhaye, member T&P cell. Gratitude was extended to Dr. Ashish Johri for generously dedicating his time to guide the participants. Dr. Milind Umekar, Principal of SKBCOP, Kamptee, was acknowledged for providing the opportunity to organize the event. Appreciation was expressed to Mrs. Rashmi Trivedi, the mentor, and the faculty, the training and placement cell members, the event organizers, and all the individuals who worked tirelessly to ensure the program's seamless execution. The students, as the audience, were thanked for their significant contribution to the success of the event, with the belief that the program would positively impact their professional future. Mrs. Rashmi Trivedi, along with the T&P members presented a memento to Dr. Johri as a token of appreciation.

Dr. Milind Umekar sir welcome to Dr. Ashish Johri, Principal Consultant at Synergie HR.

Dr. Ashish Johri, session on communication, interview skills, enhancing LinkedIn reach, and resume writing abilities.
